

Of Interest to Women

Daily Thought.

Where the world needs workers, be thou.
Where there's wrong, then make it right.
Where there's need, there is this mission.
Till through darkness and through light.

FRYE ARRANGES FOR BOND TO COVER ROAD CONTRACT

With the announcement of a representative of the Exchange Trust company that the institution would furnish the bond of \$181,000 required from C. G. and H. F. Frye, contractors for the construction of Tulsa county's first mileage of hard surfaced roads, the difficulty of the Frye brothers in making a bond is at an end.

It had been expected that the bond

would be filed with the county commissioners for their approval at the meeting of that body Monday. It is understood that the bond will be filed this morning when the commissioners convene and it is expected that it will be approved by them.

Must others enjoy life while you suffer?

USE Resinol FOR THAT SKIN TROUBLE

That skin trouble makes you feel as though you must creep away and hide. While there is fun and laughter on all sides, nobody seems interested in you. Possibly you could enjoy life as they do if you would but give the Resinol treatment a fair trial. Anoint the red, rough spots and irritated places with Resinol Ointment.

Keep the face and skin well cleansed with Resinol Soap. It contains just enough soothing medication to relieve the dry, irritated pores. For other skin disorders on the body or face, the same treatment may be applied.

3 Dozen Eggs Replaced in Cooking at a cost of 25¢ And More than Twice the Food Value Besides

EGG-O

Dr. Edwin DeBarr, professor of Chemistry at the State University of Oklahoma, was asked to make a careful and critical analysis of Egg-O. After doing so, he said in writing: "I find Egg-O is composed of the highest quality proteins and carbohydrates. It has a food value MORE THAN TWICE that of fresh eggs. I can fully recommend and endorse its use for cooking purposes."

Absolutely Pure, Wholesome and Healthful and Low in Cost

—Don't confuse Egg-O with the many disappointing Egg substitutes you've heard of before. Egg-O is the one perfect product that satisfactorily replaces eggs and is endorsed by the highest expert chemists and Pure Food authorities.

—No secret about its ingredients—simply such wholesome food contents as Casein from pure milk, Albumen from fresh eggs and cereal derivatives from rice.

—Egg-O means year round economy for all your cooking needs and loads of delicious "eats" you might otherwise not cook because of cost. Eggs are never so cheap that they are not three times as expensive as Egg-O.

—You simply substitute one teaspoonful of Egg-O for each egg omitted from your recipe. Works beautifully for thousands of housewives. It will for you, too.

Get the Genuine, in Sanitary, Airtight Cans—25c at All Grocers

Accept a substitute for Eggs, but never a substitute for Egg-O. Insist upon the genuine; in a square can with friction top, sealed airtight with paraffin; comes both with and without harmless yellow coloring to suit your needs; the yellow under yellow label; the uncolored under white label. Both kinds of Egg-O are for whole Eggs. For White of Eggs uses only, use Whip-O. Phone for a package today. Try it out in ALL your cooking. It will delight you.

WHIP-O
Replaces Whites of Eggs in Cooking

A companion to our Egg-O product; especially prepared for icings, angel-foods, meringues and all exclusively whites of egg recipes. Equally pure, wholesome, healthful and twice as rich in food value as eggs. Whips into a rich, miraculous batter in a jiffy. Perfect for every use intended.

EGG-O RECIPES BY A FAMOUS CHEF

FREE! L. E. Granger, for 30 years a noted chef in some of America's famous hotels, and more recently government expert on food substitutes, is our expert dietitian. Every recipe given in this booklet has been tried and proven by him. Scores of new, original and tasty recipes given using Egg-O in place of eggs. A copy for you FREE if you write at once.
